What others have said about our TEACH Academy

“Excellent program - valuable information from all speakers; interactive; great hands-on activities.”

“I was extremely impressed with the amount of materials given and presented to us. The workbooks will be a very valuable tool in the future for myself and my students.”

“Great information, good contact for educators. Just a fantastic way for educators to get out and be hands-on with these careers.”

“The shadowing experience was invaluable, with insights that cannot be obtained by an explanation.”

“This was one of the best workshops I have attended over the past 23 years - well thought out, well organized, well orchestrated.”

Did you know that there are over 2,500 different careers in the field of Health Care?

Did you know that Health Career preparation ranges from on-the-job training to Medical School and everything in between?

Through didactic sessions, participants will hear about thousands of opportunities available to students in the field of health care, trends in health care and provider shortages, how to recognize student aptitudes and interests, and how to relate them to health careers.

Participate in an afternoon of hands-on activities with a Family Practice Physician and professionals from the field of Mortuary Science.

Spend two days at the Reading Health System where you will job-shadow a variety of health care professionals and be able to speak with them about experiences in their fields.

We welcome those who participated in the TEACH Academy in previous years to participate in the 2 days of Job Shadowing only.

CONTINUING EDUCATION CREDITS

Conference participants are qualified to receive the following upon completion of the 3-day program. (Credits will be adjusted for 2-day participants)

ACT 48 Hours we are no longer able to provide Act 48 hours, but can assist with your getting the credits through your school district
